Foreword

The Merkos L'Inyonei Chinuch, Education Office, is pleased to present the twelfth edition of the directory of Chabad Institutions, a comprehensive directory listing of Chabad Schools in the English-speaking world. We hasten to add, however, that complete as this list seems, it is a work perpetually being updated. The very nature of the Chabad movement and its ever-expanding number of institutions precludes the possibility of a completely finalized directory.

We are proud of the fact that new schools are founded every year and that keeping pace with the continuously expanding Chabad education world is an almost impossible task. Clearly, compiling this directory required diligence, persistence, and organizational skills and we are grateful to Mrs. Chaya Winner for undertaking this project and bringing it to fruition. In spite of the difficulty of keeping pace, we do our best to keep our records current and encourage schools to inform our office as soon as any change occurs.

Finally, we are constantly in the process of updating our comprehensive list of Mechanchim and Mechanchos in Chabad institutions. Being on the mailing list will ensure that you are informed about the goings-on at our office, and most importantly you will regularly receive the Chabad educational journal "Educational Pathways", the "Mzman L'zman" newsletter in addition to information, memoranda and letters. Both schools and educators are requested to assure that our information is correct.

Sincerely,
Rabbi Nochem Kaplan
Director
The Merkos Chinuch Office
