Foreword

The Merkos L'inyonei Chinuch Office is pleased to present the thirteenth edition of the directory of Chabad Educational institutions. A comprehensive directory listing of Chabad Schools in the English-speaking world. We hasten to add however, that this complete list is perpetually being updated. The very nature of the Chabad movement and its ever-expanding number of institutions preclude the possibility of a completely finalized directory.

We are proud of the fact the new schools are founded every year and that keeping pace with the continuously expanding Chabad education world is an almost impossible task. Clearly, compiling this directory required diligence, persistence, and organizational skills and we are grateful the Chinuch Office secretary for undertaking this project and bringing it to fruition. In spite of the difficulty of keeping pace, we do our best to keep our records current and encourage schools to reach out and inform our office of any changes or mistakes.

Finally, we are constantly in the process of updating our comprehensive list of Mechanchim and Mechanchos in Chabad institutions. Being on the mailing list will ensure that you are informed about the “goings-on” at our office, and most importantly you will regularly receive the Chabad educational journal “educational Pathways”, the “M'zman L'zman” newsletter in addition to information, memoranda and letters. Both schools and educators are requested to assure that our information is correct.

Sincerely,
Rabbi Nochem Kaplan
Director of The Merkos Chinuch Office
